

Neighborhood Council Districts

April 7, 2009 - April 28, 2009

Neighborhood Council Districts in the City of Tacoma are assigned a liaison from the City Manager's Office. Currently, Management Fellows in the City Manager's Office are assigned as liaisons to each of the eight Neighborhood Councils. City Manager's Office Liaisons report on important issues to the Neighborhood Councils, facilitate communication between Neighborhood Councils and other City staff, and keep the City Manager informed of issues that are important to the Neighborhood Councils.

Listed below are important themes that the Management Fellows identified while attending recent Neighborhood Council meetings. This list does not include all issues addressed by Neighborhood Councils nor is it a list of priority issues as selected by the Neighborhood Councils. The issues identified below were selected by Management Fellows as themes that should be brought to the attention of the City Manager and City staff.
